Heart Attack Man

It's hard for me to clearly put this into words  
I've been at a loss for words for so long  
So just bear with me, please  
I don't always know exactly how to articulate what's on my mind  
But I can undoubtedly assure you of one thing  
That I think about time and time again

I don't want to be anybody else's  
I don't want to be anybody else's  
I don't want to be anybody else's
