

## Almost There

Heart in Hand

I'm half a litre deep,  
And I haven't even drowned yet,  
I've had to cross these lines, but I'm still alive.  
I must be doing something right, even if it's wrong,  
I must be doing something right.

And in a moment,  
Things can fall apart,  
That's all behind us now.  
And in a moment,  
Things can fall apart,  
This is a distant memory,  
It's in the past.

And you're the one,  
That will save me  
From myself,  
Keep me by your side,  
And don't let me go.  
Don't let me go.

I'll take a deep breath,  
Realise myself.  
I'm almost there.

So don't forget,  
Never give in, never give up,  
Never give in, never give up,  
So don't forget

We all have problems,  
We have to overcome,  
There is no looking back.  
We all have problems,  
We have to overcome,  
There is nothing in our way,  
Keep pushing on.

And you're the one,  
That will save me  
From myself,  
Keep me by your side,  
And don't let me go.  
Don't let me go.

I'll take a deep breath,  
Realise myself,  
I'm almost there.
