

## Love Alive

Heart

The Sky was dark this morning  
When I raised my head  
I stood at the window -  
Darkness was my bane

Suddenly a sunbeam arch  
Thrilled me to my weary heart  
It was the prettiest thing I'd ever seen

I knew I had to keep my Love  
Keep my Love alive  
Keep my Love - Keep my Love live

Baby I want you to roll me  
Hold me in your love  
No more habits, promises and jive  
Ever since I was a baby girl  
Wanted one thing most in this world  
It was to Keep My Love -  
Keep My Love alive

I want to keep my Love -  
Keep my Love alive  
Keep my Love - keep my love alive

You're up there under the spotlight  
Your silver trophy shines  
With all you got, my lord!  
You must get high  
You need a whole lot more than money  
You need more than to survive  
You need to keep your Love  
Keep your Love alive
