

# Mashallah

## Heart

A thousand times  
And a thousand days  
The wild bird singing  
True love waits

Cryin' out  
From the heart of desire  
Circling over  
In flames and fire

Awake in the cages  
Oh, awake in the grave  
We've been together  
Far beyond the death  
Stay by my side in darkness, night and day

Stay with me... remain, remain remain  
Mashalla!

Ancient Eye  
I leave you behind  
You're not of my body  
You're not of my mind

River, river running through my veins  
Again and again I call your endless name  
Say to me darkness dawning to day

Say to me, remain remain remain  
Mashalla!
