

Rocking

Heart

Little Jesus sweetly sleep
Do not stir
We will lend a coat of fur
We will rock you, rock you, rock you
We will rock you, rock you now
See the fur
To keep you warm
Snuggle 'round your tiny form

Mary's little baby sleep
Sweetly sleep
Sleep in comfort
Slumber deep
And we will rock you, rock you, rock you
We will rock you, rock you now

We will serve you
All we can
Darling, dancing little man

Yeah, we will rock you, rock you, rock you
We will rock you, rock you now
