

# The Woman in Me

Heart

Dancing close feeling restless  
It's a slow and sultry night  
It'll take a lifetime till sunrise if you won't stay with me to  
night  
Feel your breath caress my shoulder as your heart reads my mind  
You don't have to tell me anything  
I can see everything in your eyes  
It's so easy with you  
I don't need an excuse to be the woman in me  
It's so hard to believe that I'm feeling so free to be the woma  
n in me  
Baby there's so much no man has ever touched of the woman in me

I might be trembling but I'm not scared  
Just my desire breaking free  
I've never had a chance like this before to unlock all the door  
s to be the woman in me  
It's so hard to believe that I'm feeling so free to be the woma  
n in me  
Baby there's so much no man has even touched of the woman in me

Like the dark side of the full moon  
I've never shown what I'm showing to you  
It's so easy with you I don't need an excuse to be the woman in  
me  
It's so hard to believe that I'm feeling so free to be the woma  
n in me  
It's so easy with you. I don't need an excuse to be the woman i  
n me  
It's so hard to believe that I'm felling so free to be the woma  
n in me
