

# These Dreams

Heart

Spare a little candle  
Save some light for me  
Figures up ahead  
Movin' in the trees  
White skin in linen  
Perfume on my wrist  
And the full moon that hangs over  
These dreams in the mist  
(Ooo)

Darkness on the edge  
Shadows where I stand  
(Shadows where I stand)  
I search for the time  
On a watch with no hands  
I want to see you clearly  
Come closer than this  
(All I remember)  
But all I remember  
Are the dreams in the mist

These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside  
Every moment I'm awake the further I'm away  
(Further I'm away)

Is it cloak and dagger?  
Could it be spring or fall?  
I walk without a cut  
Through a stained glass wall  
(Weaker in my eyesight)

Weaker in my eyesight  
The candle in my grip  
(Words that have no form)  
And words that have no form  
Are fallin' from my lips

These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside  
Every moment I'm awake the further I'm away  
(Further I'm away)

There's somethin' out there  
I can't resist  
I need to hide away, from the pain  
There's somethin' out there  
I can't resist

The sweetest song is silence  
That I've ever heard  
(Never touch the earth)  
Funny how your feet  
In dreams never touch the earth

In a wood full of Princess  
Freedom is a kiss  
(Prince hides his face)  
But the Prince hides his face  
From dreams in the mist

These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside  
Every moment I'm awake the further I'm away

These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside  
Every moment I'm awake
