## **Treat Me Well**

Well I have lost some time but I have won And if you make it through You know you've just begun

The winter cold is coming And the fire will soon be burning

So will you treat me well Oh, will you treat me well?

And I am asking will you save a place for me To rest beside your heart And feel I'm free Now what good does feeling strong do When I am here without you?

So will you treat me well Oh well, will you treat me well?
