

Simple Feeling

Heartless Bastards

Going through the window in the tower that casts shadows on,
the ancient sea that's over me, in to the desert that I roam.
In to wait, you'll never fear the one who knows when you are ne
ar.

South beneath the painted sky and rivers flowing through my min
d.

In to wait, you'll never fear the one who knows when you are ne
ar.

Simple feeling, simple feeling, simple feeling, simple feeling

Going through the window in the tower that casts shadows on,
the ancient sea that's over me, in to the desert that I roam.
In to wait, you'll never fear the one who knows when you are ne
ar.

How do I find? How do I find? Oh! The feeling! How do I find?
Ohhhhhh....

Simple feeling, simple feeling, simple feeling, simple feeling

Going through the window in the tower that casts shadows on,
the ancient sea that's over me, in to the desert that I roam.
In to wait, you'll never fear the one who knows when you are ne
ar.

How do I find? How do I find? Oh! The feeling! How do I find?
Ohhhhhh....

Simple feeling, simple feeling, simple feeling, simple feeling
