

Ten Feet Tall

Heather Dale

Ten feet tall
Steaming hot and bullet proof
Ten feet tall
Steaming hot and bullet proof
Ten feet tall
Steaming hot and bullet proof

Prim on top but naughty underneath
Corset tight enough to make \ 'em weep
I got leather, lace and passage on a ship
Plumes, ten pearls and a pistol on the hip

Ten feet tall
Steaming hot and bullet proof
Ten feet tall
Steaming hot and bullet proof
Ten feet tall
Steaming hot and bullet proof

Cape and tails and a thousand dollar hat
Walking cane with a blaster in the half
Clockwork butler shining up the brass
Got my boots buffed bright for kicking ass

Ten feet tall
Steaming hot and bullet proof
Ten feet tall
Steaming hot and bullet proof
Ten feet tall
Steaming hot and bullet proof

Ten feet tall
Steaming hot and bullet proof
I \ 'm ten feet tall
Steaming hot and bullet proof
Ten feet tall
Steaming hot and bullet proof

Time slips, gunships
Steaming hot and bullet proof
Bar fights, star drives
Steaming hot and bullet proof
Zeppelin villains
Steaming hot and bullet proof
Outlawed browncoats
Steaming hot and bullet proof
Steaming hot and bullet proof

Ten feet tall
Steaming hot and bullet proof
Ten feet tall
Steaming hot and bullet proof
