

The Morrigan

Heather Dale

The Morrigan dreams old dreams of flight
The Morrigan sees with another sight
The Morrigan builds with flesh and bone
and The Morrigan fills an empty throne

The Morrigan fills an empty throne
The Morrigan builds with flesh and bone
The Morrigan sees with another sight
and The Morrigan dreams old dreams of flight

The Morrigan knows your time and place
The Morrigan shows your shifting face
The Morrigan stands behind your skill
and The Morrigan sows and reaps at will

The Morrigan sows and reaps at will
The Morrigan stands behind your skill
The Morrigan shows your shifting face
and The Morrigan knows your time and place

The Morrigan chooses when to rise
The Morrigan views without her eyes
The Morrigan sees with another sight
and The Morrigan dreams old dreams of flight

The Morrigan dreams old dreams of flight
The Morrigan sees with another sight
The Morrigan views without her eyes
The Morrigan chooses when to rise
