Somewhere Over the Rainbow

Heather Headley

When all the clouds darken up the skyway
There's a rainbow highway to be found
Leading from your window pane
Just a step beyond the rain

Somewhere over the rainbow
Way up high
There's a land that I heard of once in a lullaby
And somewhere over the rainbow
All my skies are so blue
And the dreams I dare to dream, they really do come true

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Somewhere above the chimney tops
That's where you'll find me

Somewhere over the rainbow
Blue birds fly
If birds fly over the rainbow
Why then, oh why, can't I?

If birds fly over the rainbow
Why, tell me why, can't I?
If happy little blue birds fly beyond that rainbow
Why, oh why, can't I?
