

# Radio On

Heather Small

1.

I'm in that place again  
With trouble by my side  
I'm old enough to know  
I've taken danger for a ride

I know i can trust your voice  
That I'm trying to control  
That one thing on my mind  
And i can't hold that now

Bridge:

I don't know if this is right  
But i'm listening to the wind  
It's calling me tonight  
saying: "let you be"

Do you feel it too?  
Is the music getting through?  
Do i need to spell it out for you?

Chorus:

You're turning more than my radio on  
You're turning more than my radio on  
You're turning more than my radio on  
Much more than my my radio my radio on

2.

We're out here all alone  
Anything the world is off tonight  
So far away from home  
On the wrong side of midnight

What am i doing here  
Suddenly it's clear  
That we should turn around  
Im just trying to keep my feet on the ground

Bridge:

Don't know if this is right  
But I'm listening to the wind  
It's calling me tonight  
saying: "let you be"

Do you feel it too  
Is the music getting through  
I don't need to spell it out for you

Chorus:

You're turning more than my radio on  
You're turning more than my radio on  
You're turning more than my radio on  
Much more than my my radio my radio on

Radio on  
Radio on  
Radio on

My radio on

Bridge:

Do you feel it too?

Is the music getting through?

Do i need to spell it out for you?

Chorus:

You're turning more than my radio on

You're turning more than my radio on

You're turning more than my radio on

Much more than my my radio my radio on
