

## Lock And Load

(Hed) P.E.

Six, six, six, six  
Yeah, I like it, I like it  
Come on

Lets go lets waist some time let's jump in the Chevy let's ride  
Shorty your place or mine you be bonny I'll be Clyde  
Little mamma I'm a show you how we do  
Little mamma I'm a get inside of you  
So hot I'll show you where it's at, so cool I got your back  
Come on

I pledge allegiance to lock and load  
And to the republic I sell my soul  
Like Boney and Clyde let's take their ride  
To my roll we die, tonight lets waist some time

Pretty mamma lets waist some time  
Yeah mamma lets waist some time

Yeah, you know it's on I'm all fucked up I'm a time bomb  
Motherfucker better treat me right or I'll fuck you up it ain't  
nothing nice  
I hate that, I'll take that, little punk rock chick I'll break  
that  
You come with me and we'll make it back to the top and the cops  
and the feds can't stop us

I pledge allegiance to lock and load  
And to the republic I sell my soul  
Like Bonney and Clyde let's take their ride  
To my roll we die, tonight lets waist some time

Pretty mamma lets waist some time  
Yeah mamma lets waist some time
