

PMA All Day

(Hed) P.E.

PMA
PMA
PMA
All day

When I wake up in the morning
And I see a yellow sunray
And the bird are chirping
And it's a brand new day
I step into the matrix in the right rays
Fighting the forces of people everyday
I come out a winner
Cause I got the PMA

PMA, PMA like the way
All day, PMA
We like the way
PMA, everything is gonna be okay
All day
PMA we like the way

Here comes the darkness
It outweighs the light
On the scales of justice in our present life
Positive mental attitude
Always outweighs the blob of gloom?
We're all positive solutions
Can't put a smile on your face again

PMA, PMA like the way
All day, PMA
We like the way
PMA, everything is gonna be okay
All day
PMA we like the way

Though I walk through the valley of a shadow of doubt
The fire never stop burning
The enemy won't see us fall
Still rides like the morning sun
Respect, and surely mercy shall follow us
Everyday of my life
The PMA like a wave now
Pass through the darkness

PMA, PMA like the way
All day, PMA
We like the way
