

Suck It Up

(Hed) P.E.

Just bring it...
Bow down
Bow down
One, two, three
Suck it up

It's not the end of the world
It's just a phase
They all love to see you fall
Flat on your face
It seems as hard as I try
They underestimated
I don't belong here anymore
No, it's not me
No, I can't breathe
No, I am not afraid
It's just the end of the day

How can I give in
When I can not let go
Show me the way
How can I get out of this hole?
How can I give in
When I can not let go
Show me the way
How can I get out of this hole?
Just bring it
In this burning house
No one can breathe
Through this wall of lies
No one can see
These words are much more
Myself than I
I don't belong here anymore
No, it's not me

How can I get out of this hole?
Bow down...
