Untouchable

(Hed) P.E.

Yea untouchable, yea we untouchable
Indigenous, aboriginal
Savage, I run with the buffalo
High like an eagle – yeah I go medieval
Settin the fire, watchin it burn to the sky
I riot for my people
We untouchable
My family bulletproof
This is my moment of troof

Untouchable – indestructible
I'm tired of living in this fucking zoo
Savage, I run with the buffalo
Return of the bear – king o' the jungle
You judgin me – now I'm judgin you
You hatin me but I'm nothin new
It's the family code that I answer to
It's the queen of the castle she bulletproof
We untouchable, indigenous
I don't have to fake it I'm livin it
I don't have to take it they givin it
You the illegal one – you the immigrant
Untouchable – untouchable
Aboriginal – indestructible
Savage, I run with the buffalo
Fly with the eagle, swimmin with Nemo

I don't want no trouble I'm here for the bag
I came for the ring and not leavin without it
You got your family – I'm here for mine
Build a foundation – I live on the grind

Takin it back ready to rock runnin the pit
Takin it back keepin it hard takin a rip
Shreddin like dime baggin it up keepin it lit
Takin my time – fuckin it up karma's a bitch
I'm fallin in love

Untouchable – indestructible
I'm tired of living in this fucking zoo
Savage, I run with the buffalo
Return of the bear – king o' the jungle
You judgin me – now I'm judgin you
You hatin me but I'm nothin new

Untouchable – untouchable
Aboriginal – indestructible
Savage, I run with the buffalo
Fly with the eagle, swimmin with Nemo

Not lookin for trouble – I just wanna live
Fuck what you sayin I ain't tryin to hear it

In my own lane why can't you mind your business
You livin in fear - me I live in forgiveness

Takin it back ready to rock runnin the pit
Takin it back keepin it hard takin a rip
Shreddin like dime baggin it up keepin it lit
Takin my time - fuckin it up karma's a bitch
I'm fallin in love
