

# BORED

Hedegaard

Oh I've been trippin' on, I've been sippin' all night, ooh yeah  
If you really want to, we could cross that line, ooh yeah  
What you waitin' for, we can waste no time  
Everything you don't say, you've been tellin' with your eyes

Got plans, we could leave so fast  
If you tryna make us blast  
Goddamn, I just gotta ask

Baby, are you bored?  
Let's get fucked up on the floor  
Let's buy drinks we can't afford  
Till we can't feel anymore  
Tell me, baby, are you bored?  
Let's get fucked up on the floor  
Let's buy drinks we can't afford  
Till we can't feel anymore  
Tell me, baby, are you bored?  
Let's get fucked up on the floor  
Let's buy drinks we can't afford  
Till we can't feel anymore  
Tell me, baby, are you bored?  
Let's get fucked up on the floor  
Let's buy drinks we can't afford  
Till we can't feel anymore

I've been waitin' all week, I've been waitin' all day, ooh yeah  
So I'ma go around wild, pop a little champagne, ooh yeah  
Go until the lights out, till I'm off my face  
If you lookin' for a change and you lookin' for me

Got plans, we could leave so fast  
If you tryna make us blast  
Goddamn, I just gotta ask

Baby, are you bored?  
Let's get fucked up on the floor  
Let's buy drinks we can't afford  
Till we can't feel anymore  
Tell me, baby, are you bored?  
Let's get fucked up on the floor  
Let's buy drinks we can't afford  
Till we can't feel anymore  
Tell me, baby, are you bored?  
Let's get fucked up on the floor, let's buy drinks  
We can't fall until we can't feel anymore  
Tell me, baby, are you bored?  
Let's get fucked up on the floor  
Let's buy drinks we can't afford  
We can't fall until we can't feel anymore  
Tell me, baby, are you bored?  
Baby, are you bored?  
Baby, are you bored?
