I'm in the drop top switching both lanes
Looking like money ain't a thing
That's cuz money ain't a thing

I'm in the drop top switching both lanes
Looking like money ain't a thing
Baddies in the back sippin' champagne
Pour that they sayin' cheers to the gang

I got a 100 on the dash
Feel like fuck that yeah I'm right back on they ass
Too turnt up so you know we actin' bad
Gotta live fast
Ohhhh

I might take a trip out to London
Foreign
Switch the sim card change the number
Foreign
Wit' the same clique that I run with
Foreign
Reppin' for my city but I still be ridin'
Foreign
I just caught a flight from Ibiza
Foreign
Switched a 100 racks to the lira
Foreign
Spend it on a bad Mona Lisa
Foreign
Reppin' for my city
But I still be ridin' foreign

Ride ride foreign
Reppin' for my city
But I still be ridin' foreign

Ride ride foreign
Two things you can't call me never broke or boring
Reppin' for my city
But I still be ridin' foreign

Let's pull all the cars out
All the stars out
Made it out the cage so I'm pulling all the bars out
Been ready so u know the broads out
Yeah let's bring the whole fucking garage out

Cruisin' through the streets
Bad girls wit' me
Got her feeling fancy
But she not Iggy
Drop top coup going bald like Britney

Keep it one milli
We the biggest in the city

I got a 100 on the dash
Feel like fuck that yeah I'm right back on they ass
Too turnt up so u know we actin' bad
Gotta live fast
Ohhhh
