

JUMANJI

Hedegaard

Jumanji, jumanji, jumanji

Big booty with a spray tan
'Bout to turn me to a caveman
She's a beast, she ain't nothing nice
Play the game, we gon' roll the dice, yeah

I don't think you understand me, hey
It's about to be a stampede
Once you hit the thing, you can't leave
Hol' up, we about to let the zoo free

Shorty gotta roll like a ganjee
Back from the dead like a zombie
Bad girl know she got the donkey
(Wait)
I got the clue, goin' Jumanji
Rowdy, you know I'm not no Gandhi
She a beast, watch her hop up on me
Swingin' from my tree like a monkey
I got the clue, goin' Jumanji

Jumanji, jumanji, jumanji
Shorty gotta roll like a ganjee
Light it up, don't pull up on me
Jumanji, jumanji, jumanji
Light it up
Jumanji, jumanji, jumanji

She's a real party animal, eh
Brother charge me like an antelope, wait
Smokin' fruit like a canteloupe, aye
Feelin' sick? I got the antidote

I don't think you understand me
Watch out. It's about to be a stampede
Shorty givin' head like it's hands-free
Hol' up. We just let the fucking zoo free

Shorty gotta roll like a ganjee
Back from the dead like a zombie
Bad girl know she got the donkey
(Wait)
I got the clue, goin' Jumanji
Rowdy, you know I'm not no Gandhi
She a beast, watch her hop up on me
Swingin' from my tree like a monkey
I got the clue, goin' Jumanji

Jumanji, jumanji, jumanji
Shorty gotta roll like a ganjee
Light it up, don't pull up on me
Jumanji, jumanji, jumanji
Light it up
Jumanji, jumanji, jumanji

Shake that ass like you're in the jungle

Do it dirty, down to rumble
Lemme see what your mama gave ya
Real wild child, freak of nature
Shake that ass like you're in the jungle
Do it dirty, down to rumble
Lemme see what your mama gave ya
Real wild child, freak of nature

Light it up
Jumanji, jumanji, jumanji
Light it up
Jumanji, jumanji, jumanji
