

Anything

Hedley

Everybody said you better stay in school
Get a real job boy, don't be a fool
burn that guitar you can never be a star
I Can, I Can, I Can, So

A thousand disbelievers couldn't keep me on the ground
I've invented a momentum That will never slow me down
I believe it cause i feel it
And i'll shout it out loud
I Can, I Can, I Can, So

Everybody said boy don't go any higher
(uh uh) (FUCK THAT)
I can do Anything!
Never push the limit and don't play with fire
(uh uh) (FUCK THAT)
I can do Anything!

Na na nanana nana
Na na nanana na

Wear my heart on my fist
Take you by surprise better
(uh uh) (FUCK THAT)
I Can do anything

Hahaha ok ok

Be a movie star
Rock the main stage
An Xbox tester
Or an Astronaut in space
If they tell you that you can't
You can shove it in their face
I Can, I Can, I Can, So

A hundred thousand disbeliever couldn't keep me on the
ground
I've invented a momentum That will never slow me down
I believe it cause i feel it
And i'll shout it out LOUD!
I Can, I Can, I Can, So
