

Hands Up

Hedley

..Ahh Yeah..
Oh my God
Something is wrong
I'm floatin' down a river where I don't belong
With out you
'Cause if I fall
With out you
Now I see
It's all clear to me
I could do a lot of things, but I could never be
With out you
'Cause if I fall
With out you
And you pick me up when I am down
(Pick me up)
And you make me smile
So hands up
Take it all away
If I got you then I'll be ok
I know, now everybody say
If I got you I like it that way
Ohhh-ohh
Oh my God
Nothing is fine
I'll go a little crazy
'Cause I'm losin' my mind
With out you
'Cause if I fall
With out you
(If I fall)
Come what may
All I gotta say
I could have a lot of fun, but I don't wanna play
With out you
'Cause if I fall
With out you
You pick me up when I am down
(Pick me up now)
And you make me smile
So hands up
Take it all away
If I got you then I'll be ok
I know
Now everybody say
If I got you I like it that way
If I got you I like it
With out you
I don't got a reason
With out you
I don't got a soul
(I don't got a soul)
For all my days
I live to praise
You make me wanna
Scream and shout it out
It's all I gotta say
Ahhh-nahhh

Hands up
Take it all away
If I got you then I'll be ok
I know
Now everybody say
If I got you I like it that way
Hands up
Take it all away
If I got you then I'll be ok
I know
Now everybody say
If I got you I like it that way
If I got you then I'll be ok
If I got you I like it that way
