Heembeezy

It ain't that easy tryna get it on your own
I'm a scamming ass nigga I got rich off my phone

Already know what these bitches be on
At the end of the day they gone fuck on my bro
I'm like "bitch you's a dick sucker"
But that face too pretty so I can't dub her
She done fuck the whole gang so I can't love her
Don't play with the gang it ain't no buster

Yeah

Bounce out on yo block and tear it down
We gone tear it up, bitch just want to fuck
I know you got a whole nigga, bitch I ain't done

All I do is talk shit on these instrumentals
