

# Bae I Need You

Heembezy

(Jahmoni, who that is?)  
Yeah  
Yeah, oh  
No fuckin' playin'  
Everybody K  
Yeah

Girl, I love you, bae, I miss you, on my mind every day  
Girl, I trust you, can you trust me? Bae, don't lie to my face  
I be calling, you don't answer, ayy, girl, I can't take it  
I'll give you space, bae  
I don't need it anyways  
Girl, 'cause I been callin'  
I need your love, yeah, I need all it  
She know she my thug, bae, you know I love whenever it's just me and you  
When I need you, you always come through  
To the end, bitch, I'm thuggin' with you, yeah

You know you my slime, bae, you my bitch, I get you whatever you want  
I put you in diamonds, drip you in designer, I put you in Saint Laurent  
She get mad and block me on everything, bitch, I'm callin', pick up your phone  
She want me for to leave her alone  
Off these Xans, don't know what I'm doin'  
Girl, I love you, bae, I need you, know you tired of my shit  
Can I trust you? You can trust me, bae, don't lie to my face  
If I'm bustin', then she bustin', she gon' do her thing  
I got love for you, bae, when we fuckin', she go crazy  
You know I got you whenever you need me, bae, just let me know what you need  
Hate when you get mad and pack up all your shit, I'm beggin' for you not to leave  
She don't want me leave her lonely  
Bae, I gotta get this money  
She callin' like, "Get off the block with the homies"  
I go outside, gotta keep it on me (Yeah)

Girl, I love you, bae, I miss you, on my mind every day  
Girl, I trust you, can you trust me? Bae, don't lie to my face  
I be calling, you don't answer, ayy, girl, I can't take it  
I'll give you space, bae  
I don't need it anyways  
Girl, 'cause I been callin' (Bitch, pick up the phone right now, I ain't playin')  
I need your love, yeah, I need all it (Bitch, pick up right now)  
She know she my thug, bae, you know I love whenever it's just me and you  
When I need you, you always come through  
To the end, bitch, I'm thuggin' with you, yeah

Yeah, yeah  
Yeah, yeah, oh  
Everybody K
