Heembezy

Yeah (Big T Productions)

Yeah, bitch

Turn me up

I don't want these fuck bitches for nothin'

Fuck hoes, get money, nigga, yeah

Fuck hoes, get money, nigga, hold on

Fuck hoes, get money, nigga, yeah

I done ran a whole hundred up

Got my bitch a BBL and her tummy tucked

If she pretty, I paid all her bills comin' up

Bitch, I get money, don't know how it feel bein' broke

Yeah

I hate a ho that kiss and tell

I be expectin' pros every time I check the mail

Get her out her Fashion Nova, put her in Chanel

Lil' bitch so bad, spanked her with a belt

Lil' mama so cold, but she give me hell

Yeah, she send me health

Yeah, I'ma dive in her like I'm Mike Phelps

Bitch don't do shit but get my dick soft

Pop a Percocet every time I'm feelin' pissed off

She like to slick talk, she got a slick mouth

I been waitin', see what that lil' shit 'bout

Go and put them braids in, she think she the shit now

You go outside, bitch, and I'ma bring them blicks out

7.62s, make 'em sit down

'Member I ain't had shit, but I'm rich now

She ain't wanna fuck when I was broke, but want dick now

Just poured a six of Wockhardt like a touchdown

If I ain't hit that ho, you know my brodie did

Bitch, you wanna fuck? Pull up to the lo' I sent

Bitch said to Cash App her just to meet her

I put my glove on, slapped the bitch and told her beat it

Two APs on, I'm ballin' every season

My Patek on froze, bitch, I think I'm anemic

You can't trust these hoes, they out here keepin' secrets

Lil' bitch said she know me, seen me on the media

I hate a ho that kiss and tell

I be expectin' pros every time I check the mail

Get her out her Fashion Nova, put her in Chanel

Lil' bitch so bad, spanked her with a belt

Lil' mama so cold, but she give me hell

Yeah, she send me health

Yeah, I'ma dive in her like I'm Mike Phelps

Bitch don't do shit but get my dick soft

Pop a Percocet every time I'm feelin' pissed off
