Heembezy

(Ayo, Sheff)
Turn me up (Tuned up)
Don't turn me down, foe

Yeah, 'cause, baby, you the shit
Yeah, 'cause, baby, you the shit
'Cause, baby, you the shit
Hold on, yeah

Lil' mama, yeah, you bad as fuck, bitch, you know you the shit
You be good, you get what you want, bitch, I bust down your wrist
Bitch, you and all your homegirls bad, I don't know who to pick
If I can't bring it in the club, then I ain't goin' in
Bitches beggin' for a pic, I got diamonds on my wrist
You gon' make me get you what you want, 'cause, baby, you the shit
Just because I'm havin' motion, nigga, don't mean I'm a trick
And in public, yeah, we best friends, she know what it is

She can't be fuckin' with no lame or no broke nigga
I swear I hate it when she bring up my old bitches
Nah, don't open up that Louis bag, 'cause it got dope in it
She want a scammin'-ass, trappin'-ass dope dealer
Yeah, I just bought another crib, I got 40 on my hip
Tryna split a nigga wig, tryna send another blitz
No, these fuck niggas don't like me, shit, it is what it is
Lil' mama, you the shit, tryna give her ass a kid

Hold on, yeah, 'cause, baby, you the shit
Yeah, 'cause, baby, you the shit
Yeah, 'cause, baby, you the shit
Hold on, yeah

Lil' mama, yeah, you bad as fuck, bitch, you know you the shit
You be good, you get what you want, bitch, I bust down your wrist
Bitch, you and all your homegirls bad, I don't know who to pick
If I can't bring it in the club, then I ain't goin' in
Bitches beggin' for a pic, I got diamonds on my wrist
