

## The World

Heideroosjes

I am so scared  
I feel lonely  
Why is the world such a f\*\*ked up place?  
I am so down  
I feel worn out  
Why is the world such a f\*\*ked up place?  
I am so sick  
I feel burned out  
Why is the world such a f\*\*ked up place?

I am so lost  
I feel tied up  
Why is the world such a f\*\*ked up place?  
I am so hurt  
I feel useless  
Why is the world such a f\*\*ked up place?
