

Make Up Your Mind

Heidi Montag

Don't let me go, boy
Say that you're (All mine)

First you say that you want me (Want me)
Then the next thing, you don't (Don't)
We're too old to play so immature
So let's act like we're grown (Grown)

'Cause baby, if you don't want me you can just let me know
And if you can't handle what I'm asking you for
I'll reloosen your reins and if you wanna let go
I'm not gonna hold you up

'Cause you are not the only guy
Checking for me
If you don't want me by your side
I don't wanna be

You gotta make up your mind
You can't keep crossing the line
You gonna run out of time
Gotta make up your mind

We keep moving back and forth
'Cause you keep doing the same old thing
I let you back in, [?]
But we're too far away

But if you're not serious
Then be on the go
Because a commitment's
What I'm looking for

You gotta make up your mind
You can't keep crossing the line
You gonna run out of time
Gotta make up your mind

Say that you will be my only
Say that you will love me only
Say that you're (All mine)
Say that you're (All mine)
Say I'm your only
Don't leave me lonely (Don't let me go, boy)
Say that you're (All mine)
Say that you're all mine
A-a-all mine

You gotta make up your mind
You can't keep crossing the line
You gonna run out of time
Gotta make up your mind

(Make up your mind)
You're running out of time
(Gotta make up your mind)
