

# Tetris

Heidi Montag

Haha, another one

Short skirt, make him wanna get it  
Long hair, make him wanna flip it  
Like a stripper, make him wanna tip it  
If you're cute, maybe I'ma let him put the tip in

Gold chains, gold bangs  
Gold hoops, gold rings  
I say using the same toys  
I ain't playing no game, boy

Oh, no, no, no I just wanna love you, baby  
Oh, no, no, no clothes on the floor, so crazy  
Oh, no, no, no, boy, there's the door, now you should go

I make all these boys be lining up like Tetris in a row  
Yeah, they only want one thing but they could never take me home  
Oh, no, there you go  
'Cause all these boys be lining up like Tetris in a row

Another one, watch them fall  
Another one, watch them fall  
Another one  
Another one, watch them fall  
Another one, watch them fall  
Another one

Tight shirt, make them wanna rip it  
Long nails 'cause I wanna kill it  
Heavy hitter 'cause I'm gonna win it  
Yeah, he cute but he doesn't know I'm pretty vicious

Gold chains, gold bangs  
Gold hoops, gold rings  
I say using the same toys  
I ain't playing no game, boy

Oh, no, no, no I just wanna love you, baby  
Oh, no, no, no clothes on the floor, so crazy  
Oh, no, no, no, boy, there's the door, now you should go

I make all these boys be lining up like Tetris in a row  
Yeah, they only want one thing but they could never take me home  
Oh, no, there you go  
'Cause all these boys be lining up like Tetris in a row

Another one, watch them fall  
Another one, watch them fall  
Another one  
Another one, watch them fall  
Another one, watch them fall  
Another one
