

You Don't Even Know

Heidi Montag

(You don't even know)
(Know)
(You just don't even know)
(Know)

I've got this feeling
You've never been in the company
Of a confident chick like me
(And I know it, know it)
With this kind of swagger
That's why I'm playing it so cool
Acting like I should know what's all about you

(You got it bad)
But you don't know what's up
(You got it bad)
No, you don't even know me

You don't even know (Know)
Ain't even in the game
Got that look on your face
Like you know (Know)
You don't even know (Know)
Don't even know my name
Quit tryna make a play
But you don't know

You don't even know (Know, know, know, know)
You don't even... (Know, know, know, know)
You don't even know

Know what I want it for
I know that it ain't you
Cause you'd know how to listen to what I'm saying, saying
And you need to go head, admire from a distance
I'm cool
Only knew it's not about you

(You got it bad)
No you don't know what's up
(You got it bad)
No you don't even know

You don't even know (Know)
Ain't even in the game (Ain't even in the game)
Got that look on your face
Like you know (You know)
You don't even know
Don't even know my name (Yeah)
Quit tryna make a play
But you don't know (You don't know)
You don't even know

It's sad cause you're kind of my
Not gonna waste my time tonight
Don't [?] my shine
Step aside

Know, know, know, know
You don't even know
Know, know, know, know
You don't even know
Know, know, know, know
You don't even know
Know, know, know, know
Know, know

You don't even know (Oh no, oh no)
Ain't even in the game
Got that look on your face
Like you know (You know)
You don't even know (Know)
Don't even know my name
Quit tryna make a play
But you don't know (You don't know)

You don't even know
Know, know, know, know
You don't even...
Know, know, know, know
You don't even know
You don't even...
You don't even know
You don't even know
You don't even know

You don't even...
You don't even...
You don't even...
Know

(You don't even know)
(Know)
(You just don't even know)
(Know)
