Mom, don't earn money, don't earn money  
Dad, don't earn money, don't earn money  
Oppa, don't earn money, don't earn money  
I will earn enough for the family  
Don't earn money, don't earn money, don't earn money

Trust me, trust me  
You know I'm the hot trend, now I'll earn six figures  
Host events, take photoshoots (take photoshoots)  
My manager's in a war today, pick me up  
Shout out to my family, my family  
When I return to Daegu a banner welcomes me  
Move to a nice house, distribute rice cakes  
The rice cakes that look at me, I love y'all

When I have a family  
I'll be the strongest of all the weak ones  
When my man is tired  
I'll mwah, I'll work, trust me, Dahye-noona

Mom, pack your bags  
Dad, stack sushi plates to infinity  
Oppa, don't work, take my money instead  
Now I have more to give than to receive

Mom, don't earn money, don't earn money  
Dad, don't earn money, don't earn money  
Oppa, don't earn money, don't earn money  
I will earn enough for the family  
Don't earn money, don't earn money, don't earn money

Peek-a-boo, why is there a pretty boy on Unpretty?  
I'm radio, I earn money with my voice rather than my face  
I'm EXO, I represent Korea  
Eat love and grow, work hard and make money

If we're talking popularity I'm probably higher than Mnet  
I know exactly my place  
When girls see me they respect me  
When you hear this rap, you'll respect me

I'm sorry, Chairman Lee Soo-man  
Today, I'll do hip-hop  
Motherfucker, I'll curse too  
When fans hear this rap they'll probably go to Hong Kong

My bank account is like a cemetery  
The '0's keep increasing  
Even tomorrow I go to the airport to make money  
Earn money, earn money  
Ten times the amount of other idols

Mom, don't earn money, don't earn money  
Dad, don't earn money, don't earn money  
Oppa, don't earn money, don't earn money  
I will earn enough for the family  
Don't earn money, don't earn money, don't earn money

Baby don't work  
Earn money, earn money, earn money  
Baby don't work  
Ten times the amount of other idols  
Baby don't work  
Earn money, earn money, earn money, earn money  
Baby don't work  
Ten times the amount of other idols

Don't worry about money  
Stick right by my side  
Don't worry about money  
Stick right by my side  
Don't worry about money  
Stick right by my side  
Don't worry about money  
Stick right by my side

Mom, don't earn money, don't earn money

Oppa, don't earn money, don't earn money  
I will earn enough for the family  
Don't earn money, don't earn money, don't earn money
