I need you, mother  
Mother, mother  
I need someone  
Even though you're here  
I need you, mother  
But a mother also needs her mother

Back when you were  
As lively as I am  
You used to called on me  
With the sweetest voice  
As you hugged me tight  
More angelic than an angel

I need my mother  
Mother, mother  
I need someone  
Even though you're here  
I need you, mother  
But a mother also needs her mother

No one to tell me to stop buying useless things  
Buying things I already have  
Spending meaningless time  
Only to part ways with meaningless people  
Someone to clear the dust  
That's piled in the corner of my heart  
More angelic that's an angel  
You asked me to be your daughter again in the next life  
But no

Let me be your mother  
I would give you everything  
Just as you had done for me  
I'd love you with all of my heart  
I'll give you all my love

I need you, mother
