

Karmageddon

Helalyn Flowers

How do you feel
When you read in my soul?
This world is getting closer now
That I am blind

Oh... won't you stay here?
So beautiful but cruel
As time is running after life
Hunt me tonight

K.A.R.M.A
This is a Karmageddon
It's blowing me away

K.A.R.M.A
This is a Karmageddon
It's blowing me away

Karmageddon!

Rise up with me

But get ready for the fall
This world is getting closer now
Time after time

Plug into my dreams
There's no escape for you
No fear
No remorse this time
No destiny
No guide

K.A.R.M.A
This is a Karmageddon
It's blowing me away

K.A.R.M.A
This is a Karmageddon
It's blowing me away

Karmageddon!
