

Rollercoasting

Helen Love

I got the MC5, Suicide, Nancy Sinatra and Neil Young
live,
I got Heavenly, Peggy Lee, Captain Beefheart and the
Vaselines

Driving down where the sun never sets,
I got my jeans hiked real high and my songs on the
cassette,
Cos in the Summertime when the weather's fine,
We go rollercoasting,
Cos in the Summertime when the weather's fine,
We go rollercoasting

I got 'Stephanie Says' and 'I'll Be There', Bikini Kill
and the Marvelettes,
Undertones, Rolling Stones, Sandra Bernhardt and Joey
Ramone

Driving down where the sun never sets,
I got my jeans hiked real high and my songs on the
cassette,
Cos in the Summertime when the weather's fine,
We go rollercoasting,
Cos in the Summertime when the weather's fine,
We go rollercoasting

And I don't want this feeling to ever die,
I wanna be with the shooting stars in the sky

Cos in the Summertime when the weather's fine,
We go rollercoasting,
Cos in the Summertime when the weather's fine,
We go rollercoasting

Rollercoasting, rollercoasting,
Rollercoasting, rollercoasting,
Rollercoasting, rollercoasting,
Rollercoasting, rollercoasting,
Rollercoasting
