

Free And Easy

Helen Reddy

Push and shove, we look for love, searching everywhere
And every day we lose our way, trying so hard to care
Love just ain't a tug-of-war, that's not what it's for
It's got to be so naturally, and open each and every door

It's plain to see, it's got be free and easy
Give up the rest because the best is free and easy
The best part of a good love's free and easy
The best part of a good love's free and easy

It's not right to fuss and fight, I think we both agree
Such a shame to place the blame on everybody, see
Just get rid of your blues, you've got nothing to lose
You can't hide it, just can't fight it, only one thing to choose

It's plain to see, it's got be free and easy
Give up the rest because the best is free and easy
The best part of a good love's free and easy
The best part of a good love's free and easy

It's plain to see, it's got be free and easy
Give up the rest because the best is free and easy
It's plain to see, it's got be free and easy
Give up the rest because the best is free and easy
It's plain to see, it's got be free and easy...
