

Our House

Helen Reddy

I'll light the fire, while you place the flowers
In the vase that you bought today.
Staring at the fire for hours and hours,
While I listen to you play your love songs
All night long for me, only for me.

Chorus:

Our house, is a very, very, very fine house.
With two cats in the yard,
Life used to be so hard,
Now everything is easy 'cause of you.

Come to me now, and rest your head for just five minutes,
Everything is done.
Such a cozy room, the windows are illuminated
By the evening sunshine through them,
Fiery gems for you, only for you.

Chorus

I'll light the fire, while you place the flowers
In the vase that you bought today.
