

That's All

Helen Reddy

I can only give you love that lasts forever
And a promise to be near each time you call
And the only heart I own
For you and you alone
That's all, that's all

I can only give you country walks in springtime
And a hand to hold when leaves begin to fall
And the love that's burning light
Warms up the winter night
That's all, that's all

There are those, I am sure, who have told you
They would give you the world for a toy
All I have are these arms to enfold you
And a love time can never destroy

And if you're wondering what I'm asking in return, dear
You'll be glad that my demands are small
Say it's me that you adore
For now and evermore
That's all

There are those, I am sure, who have told you
They would give you the world for a toy
All I have are these arms to enfold you
And a love time can never destroy

And if you're wondering what I'm asking in return, dear
You'll be glad that my demands are small
Say it's me that you adore
For now and evermore
That's all, that's all
