

Words Are Not Enough

Helen Reddy

Words are not enough
To show the way I feel about you
Though the times might get rough
I know that I
I will always want you

Baby, you're the fire that heats my soul
The warmth you give will never grow cold
I don't know how long we'll last
As long as you're here
That's all I ask

Times not long enough
To do all the things you want to do
So, I'm gonna make sure
That I spend my time
Lying here, lying here with you

Baby, you're the fire that heats my soul
The warmth you give will never grow cold
I don't know how long we'll last
As long as you're here
That's all I ask

Words are not enough
To show the way I feel about you
Though the times might get rough
I know that I
I will always want you

Baby, you're the fire that heats my soul
The warmth you give will never grow cold
I don't know how long we'll last
As long as you're here
That's all I ask

You're the fire that heats my soul
The warmth you give will never grow cold
I don't know how long we'll last
As long as you're here
That's all I ask

You're the fire that heats my soul
The warmth you give will never grow cold
I don't know how long we'll last
As long as you're here
That's all I ask
