

## You're Just In Love

Helen Reddy

I hear singing and there's no one there  
I smell blossoms and the trees are bare  
All day long I seem to walk on air  
I wonder why, I wonder why

I keep tossing in my sleep at night  
And what's more I've lost my appetite  
Stars that used to twinkle in the skies  
Are twinkling in my eyes, I wonder why

You don't need analyzing  
It is not so surprising  
That you feel very strange but nice  
Your heart goes pitter patter  
I know just what's the matter  
Because I've been there once or twice

Put your head on my shoulder  
You need someone who's older  
A rub down with a velvet glove  
There is nothing you can take  
To relieve that pleasant ache  
You're not sick, you're just in love

You don't need analyzing  
It is not so surprising  
That you feel very strange but nice  
Your heart goes pitter patter  
I know just what's the matter  
Because I've been there once or twice

Put your head on my shoulder  
You need someone who's older  
A rub down with a velvet glove  
There is nothing you can take  
To relieve that pleasant ache  
You're not sick, you're just in love

There is nothing you can take  
To relieve that pleasant ache  
You're not sick, you're just in love  
Just in love
