

# Fever

Helen Shapiro

Never know how much I love you  
Never know how much I care  
When you put your arms around me  
I get a fever that's so hard to bear

You give me fever when you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night.

Sun lights up the daytime  
Moon lights up the night  
I light up when you call my name  
And you know I'm gonna treat you right

You give me fever when you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night

Ev'rybody's got the fever  
that is something you all know  
Fever isn't such a new thing  
Fever started long ago

Romeo loved Juliet  
Juliet she felt the same  
When he put his arms around her  
He said Julie, baby, you're my flame  
I give us fever when we kissin'  
Fever with that flaming youth  
Fever I'm on fire  
Fever yeah I burned for sooth'

Captain Smith and Pocahontas  
Had a very mad affair  
When her daddy tried to kill him  
She said Daddy, oh, don't you dare  
He gives me fever with his kisses  
Fever when he holds me tight  
Fever, I'm his mistress,  
Oh daddy, won't you treat him right'

Now you've listened to my story  
Here's the point that I have made  
Chicks were born to give you fever  
Be it Fahrenheit or centigrade  
They give you fever when you kiss them  
Fever if you live and learn  
Fever till you sizzle  
What a lovely way to burn  
What a lovely way to burn  
What a lovely way to burn
