

# Let's Talk About Love

Helen Shapiro

Let's talk  
Let's talk  
Let's talk about love

If you got time to spare  
I've got a heart to share  
Anytime, or anywhere

Let's talk  
Let's talk  
Let's talk about love

Some folks say love is blind  
But baby not my kind  
All I got's a one track mind

Let's talk  
Let's talk  
Let's talk about love

Every single moment I'm alone  
Feeling sad and blue  
Only wanna grab the telephone  
Call you up and make a date, at home, alone, with you

So turn the lights down low  
Let's watch a tv show  
Cuddle up and whaddaya know

Let's talk  
Let's talk  
Let's talk about love

Every single moment I'm alone  
Feeling sad and blue  
Only wanna grab the telephone  
Call you up and make a date, at home, alone, with you

So turn the lights down low  
Let's watch a tv show  
Cuddle up and whaddaya know

Let's talk  
Let's talk  
Let's talk about love

Love  
Love  
Love, love, love
