Helena Paparizou

To kerì sto trapezi ke ston tiho i skies
To mialo mou na pezi se pehnidia me foties
Ola ta pires, ola osa iha, ki oute pou me rotises
Ola ta pires, onira hamena, pefti i nihta, kalinihta ki as me k

Tis zois mou ton harti sou'ho dosi na kratas
Stavrodromia ki agapi pou san ksenos prospernas
Ola ta pires, ola osa iha, tipota den edoses
Ke sti limni afti ton stenagmon m'ena kima tha hatho

An i agapi miazi me listia

Ola ta pires, onira hamena, ki oute pou me rotises
Ke sti limni afti ton stenagmon m'ena kima tha hatho

An i agapi miazi me listia
Tote pia den thelo n'agapao
As telioni edo mia istoria
Lafira mes sta dakria na metras

An i agapi miazi me listia
Allo pia den thelo na ponao
An den kanis oute mia thisia
Distihos den tha mathis n'agapas
