

Heart Of Mine

Helena Paparizou

Passion requires
A little adventure
Like talking to a stranger
Can't deny that I want it

Obsession requires
A little danger
Like playing with the fire
Can't deny that I need it

Oh, oh oh oh
My blood is running hot
Oh, oh oh oh
Don't you never stop

You make me wanna stay the night
You make me wanna satisfy
You make me wanna be alive
You own the heart of mine

You take me on a dirty ride
You shaking me side to side
You leave me wondering
Why, why, why
You own the true heart of mine

Confession I need
To please my hunger
I 'm dying for emotion
Can't deny that I want it

Temptation oh make
My body shakin'
Don't leave me laying waiting
Can't deny that I need it

Oh, oh oh oh
My blood is running hot
Oh, oh oh oh
Don't you never stop

You make me wanna stay the night
You make me wanna satisfy
You make me wanna be alive
You own the heart of mine

You take me on a dirty ride
You shaking me side to side
You leave me wondering
Why, why, why
You own the true heart of mine

You and me about to be
I 'm down to be your lover
Heart of mine you blow my mind
You do me like no other
You and me about to be

I 'm down to be your lover
Heart of mine you blow my mind
You do me like no other

You make me wanna
You make me wanna
You make me wanna
You make me wanna

You make me wanna stay the night
You make me wanna satisfy
You make me wanna be alive
You own the heart of mine

You take me on a dirty ride
You shaking me side to side
You leave me wondering
Why, why, why
You own the true heart of mine

You make me wanna stay the night
You make me wanna satisfy
You make me wanna be alive
You own the heart of mine

You take me on a dirty ride
You shaking me side to side
You leave me wondering
Why, why, why
You own the true heart of mine
