

# I Don't Want You Here Anymore (Anapandites Kliseis)

Helena Paparizou

Calling every minute, every hour  
I can't take anymore of this lying  
And denying accusations  
All I want is the truth when you hold me  
And you told me you don't own me  
But you won't let me breathe, you control me  
You erode me to this life  
But I don't want you here anymore  
I don't want you here anymore  
I don't want you here anymore

I can't continue  
To let you treat me in this way  
I must hide my tears  
And it's strong cause I can't let you stay  
You put up a fight  
Hoping that I might change my mind  
You beg and you plead  
You'll never succeed, not this time

Calling every minute, every hour  
I can't take anymore of this lying  
And denying accusations  
All I want is the truth when you hold me  
And you told me you don't own me  
But you won't let me breathe, you control me  
You erode me to this life  
But I don't want you here anymore  
I don't want you here anymore

Calling every minute, every hour  
I can't take anymore of this lying  
And denying accusations  
All I want is the truth when you hold me  
And you told me you don't own me  
But you won't let me breathe, you control me  
You erode me to this life  
But I don't want you here anymore  
I don't want you here anymore  
I don't want you here anymore  
I don't want you here anymore

Calling every minute, every hour  
I can't take anymore of this lying
