

# Save Me (This is an SOS)

Helena Paparizou

I've been trying to find something that was deep inside in me  
Love ripped out my heart and it left me behind  
oh oh oh!

I'm still trying to breath I'm still looking to find the key  
to unlock this chest So that I can be free

You know what I want, You know what I need  
Somebody love me, somebody need me  
You know what I want, You know what I need

Oh can you feel me?

Can somebody save me, save me, save me  
Can anyone save me, save me, save me?  
My heart's in distress  
THIS IS AN SOS!!

Can somebody save me, save me, save me  
Can anyone save me, save me, save me?  
My heart's in distress  
THIS IS AN SOS!!

I feel the wall's closing in  
I need a break up begin againe  
I'm looking for light  
and I'm waiting for ma heart to mend

I know what I want, I know what I need  
I want you to love me, I need you to need me  
I know what I want, I know what I need

Oh can you feel me?

Can somebody save me, save me, save me  
Can anyone save me, save me, save me?  
My heart's in distress  
THIS IS AN SOS!!
