

# Beautiful People

Helena Vondráčková

Beautiful people  
You live in the same world as I do  
But somehow I never noticed you  
Before today  
I am ashamed to say

Beautiful people  
We share the same back door  
And it isn't right  
We never met before  
But then  
We may never meet again  
If I weren't afraid you'd laugh at me  
I would run and take all your hands

And I'd gather everyone together for a day  
And when we're gather'd  
I'll pass buttons  
Out that say

Beautiful people  
Then you'll never be alone  
'cause there'll always be someone  
With the same button on as you  
Include him in everything you do

Beautiful people  
You ride the same subway  
As I do every morning  
That's got to tell you something  
We have so much in common  
I go the same direction that you do  
So if you take care of me  
Maybe I'll take care of you

Beautiful people  
You look like friends of mine  
And it's about time  
That someone said it here and now  
I make a vow that some time, somehow

I'll have a meeting  
Invite everyone you know  
I'll pass out buttons to the ones  
Who come to show

Beautiful people  
You never have to be alone  
'cause there'll always be someone  
With the same button on as you  
Include him in everything you do  
He may be sitting right next to you  
He may be a beautiful person too  
And if you take care of him  
Maybe he'll take care of you  
And if you take care of him  
Maybe he'll take care of you...

Beautiful people  
Beautiful people  
Beautiful beautiful people...
