## Flashdance... What A Feeling

## Helena Vondráčková

First when there's nothing But a slow glowing dream That your fear seams to hide Deep inside your mind

All alone I have cried
Silent tears full of pride
In a world made of steel
Made of stone
Well I hear the music
Close my eyes feel the rhythm
Wrap around take a hold
Of my heart

What a feeling Bein's believing I can have it all Now I'm dancing For my life

Take your passion And make it happen Pictures come a live You can dance right Through your life

Well I hear the music Close my eyes, I'm a rhythm In a flash it takes hold Of my heart

What a feeling Bein's believing I can have it all Now I'm dancing For my life

Take your passion And make it happen Pictures come a live Now I'm dancing Through my life

What a feeling

What a feeling Bein's believing Pictures come a live You can dance right Through your life

What a feeling ...
