

# She Works Hard For The Money

Helena Vondráčková

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

Better there in the corner stand  
And she wonders where she is  
And it's strange to her  
Some people seem to have everything  
Nine a.m. an the hour hand  
And she's waiting for the bell  
And she's looking real pretty  
Just waiting for her clientele

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

Twenty eight years have come and gone  
And she's seen a lot of tears  
Of the ones who come in  
They really seem to need her there  
It's a sacrifice working day to day  
For little money just tips for pay  
But it's worth it all  
Just hear them say that they care

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

Already knows she's seen her bad times  
Already knows these to the good times  
Never sell out  
She never will  
Not for a dollar bill  
She works hard

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

She works hard for the money  
So hard for it honey

She works hard for the money  
So you better treat her right
