

## **We Gotta Rock, We Gotta Roll**

**Helge Schneider**

I saw you laying in a corner with nothing on. Except a slip, with ugly colors. I think we gonna fuck tonight! We gonna fuck tonight! We gonna fuck tonight! We gonna fuck tonight! (14x) We gotta rock, we gotta roll.

Baby, Baby, Baby oh yeah. Now you are laying in my arms and I feel fantastic. Your slip is laying in the corner. You and me!
