

## Thirteen To The Perished

Helheim

The shroud of darkness torn  
By funeral night sky  
Far away and beyond  
Floating ashes and dust Hooves across the heavens  
The spirit rose from watery dust  
The horses flesh to feed  
A journey without time To bid farewell  
Godspeed on the hereafter  
Body to feed, spirit to ride<sup>13</sup> to the perished Sacrifice and pa  
gan prayer  
Oaken dragon and flames  
Flesh to feed, hooves to ride<sup>13</sup> to the perished
